PLEASE NOTE:

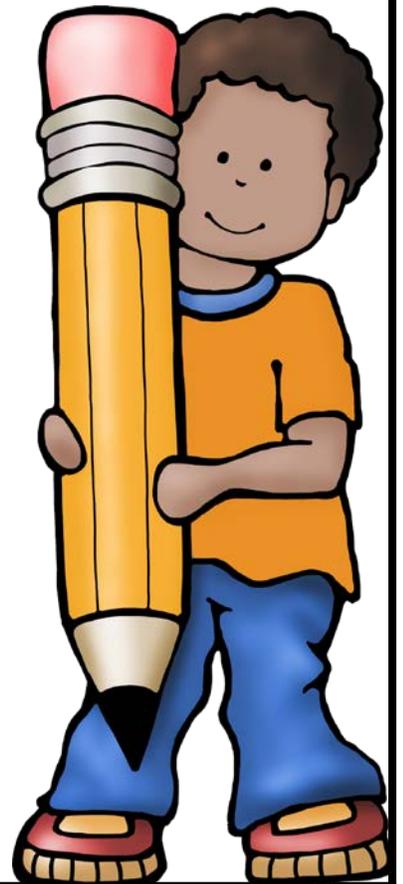

These pages are like the free printables in my series, [Tips for Teaching the Six Syllable Types](#). An extra step has been added to most of the pages to indicate real vs. silly words. Ten bonus pages have been added. All the answer keys are also exclusive to this product.

Terms of Use: This printable pack was created for you to use at home with your child(ren) or with multiple children in a SINGLE classroom/tutoring setting. Please **do not** share this file between classrooms. Instead, encourage others to visit my blog to get their own copy. Please **do not** sell, host, share, reproduce, giveaway, or store on any other site (including a blog, Facebook, 4Shared, Dropbox, Amazon Inspire, etc.). Thank you!
