## Let's Break it Down - Greek Roots Cards

The image shows two digital cards for learning Greek roots. The top card is for the word "antibiotic". It features a yellow smiley face character and a yellow arrow pointing to the word. Below the word, there are two boxes: a yellow one labeled "Greek Root(s)" and a green one labeled "Other Word Parts". To the left is a blue box labeled "My Dictionary" and to the right is a white box with a definition: "antibiotic: against life, a kind of medicine that destroys harmful bacteria." Below the definition is an example sentence: "Example Sentence: My doctor gave me an antibiotic for my infection." The bottom card is for the word "telescopes". It features a blue smiley face character and a blue arrow pointing to the word. Below the word, there are two boxes: a yellow one labeled "Greek Root(s)" and a green one labeled "Other Word Parts". To the left is a blue box labeled "My Dictionary" and to the right is a white box with a definition: "telescope: an instrument that makes distant objects appear nearer than they actually are." Below the definition is an example sentence: "Example Sentence: The astronomer used a telescope to observe the stars." At the bottom of the card is a red box with the instruction: "5. Drag this box over to check your answers." The "this Reading mama" logo is at the bottom left of the preview area.
